

Easy Vent U - Universal Tile Ventilators

easy-trim Ventilation

Description

The Easy Vent U Universal 'Cowl Type' ventilators have been designed to be both unobtrusive and suitable for use with most manufacturers profiles and colours. They utilise a patented 'anti-splash' sleeve device which incorporates 4mm fly-screen protection. Suitable for roof pitches of 15° and above.

Features

Use:	Permits entry of air into roof space for cross flow ventilation or for use with mechanical extraction
Material & colour:	Moulded in 'HIPS' with UV stable paint finish to suit most colours
Size:	440 x 440 x 95mm (excluding sleeve)
Extra features:	10,000mm ² ventilation. Square to Round pipe adapter to suit 110mm flexi-pipe 20,000mm ² ventilation. Square to Round pipe adapter to suit 160mm flexi-pipe

Easy Vent U ventilation products comply with all British Standard requirements and NHBC regulations.
