

Easy Vent U - Cowl Type Tile Vent

easy-trim Ventilation

Description

The Easy Vent U 'Cowl Type' ventilators offer an unobtrusive design in most manufacturers profiles and colours. They incorporate an 'anti-splash' sleeve device and fly-screen protection. A range of pipe adaptors are available if required.

Features

- Moulded in 'High Impact Polystyrene' with applied finish to match most tile manufacturers profiles and colours
- Acrylic paint finish to give UV protection
- Suitable for pitches above 15°
- Recommended 4mm flyscreen protection
- Unobtrusive design
- Regulations - comply fully with the requirements of NHBC, BS5250:2002 and Building Regulations Document C
- Ventilation area up to 20,000mm²

Spacing centres required to achieve a ventilation area of:

- 5mm continuous opening - install at 2.0m centres
- 10mm continuous opening - install at 1.0m centres

Adapter required

Square to round pipe adapter to suit 160mm flexi-pipe.
